We are taking our outdoor adventure to the final frontier. This week campers will explore space. From rocket adventures to a visit from NASA, your children will experience space like never before.

**CREATIVE COOKS: July 6th - July 10th**

Join us for a week of inventing with food. Whether preparing something yummy to eat or creating a masterpiece for our Art Show, campers will measure, pour, stir, and learn about food. This camp may not be appropriate for children with severe food allergies.

**DYNAMIC DRAMA: July 13th - July 17th**

Lights, camera, action! Campers will spend the week as Drama Queens & Kings as they prepare to entertain you with a short performance the last day of camp.

**MUSIC & MAGIC: July 20th - July 31st (2 weeks)**

For two weeks children will be delighted with musical and magical adventures with the return of this popular camp taught by Miss Gigi and Teacher Phillip. Campers will take the "magician's oath," learn magic tricks, and create their own magic tricks and musical instruments that they will use in a dazzling performance at the end of camp.

**WILDLIFE ADVENTURERS: August 3rd - August 7th**

Campers will enjoy a wildlife adventure "safari" learning about animals from all around the world. On Wednesday we will have a wildlife assembly with a visit from some animal ambassadors. Let's go wild!

**THE BIG SPLASH: August 10th - August 14th**

Get ready to get wet - campers will enjoy many learning opportunities using a favorite medium - water! What better way to enjoy the dog days of summer than with some imaginative water play.

All of our campers will also enjoy a day camp experience full of stories, songs, games and arts & crafts.
