

Back To School Day

Saturday, September 14th

Back to School Day is a time for parents to get to know their child's teachers and learn more about our curriculum. Your teachers will discuss curriculum design, developmental learning opportunities & answer parents questions. You will also engage in some of the same activities your child is doing in class each day.

Come to your child's classroom:
9:00-9:45 am — MWF and M-F AM & PM classes
10:15-11:00 am — T/TH AM & PM classes

This event is for adults only.

Drop-in Holiday Care will be available in the Forest room playground. Prepaid Hours for Drop-in Enrichment are available through our office (ask any teacher or the office for your Prepaid Hours balance).
