

## A 25% Discount For You and 10% Back to Montecito Preschool!

For all you outdoorsy families, one of Montecito's very own alumni is an owner of a premium outdoor kids brand called Shred Dog. They are offering all Montecito families and friends a special 25% discount and will also give 10% of all sales associated with the discount code **MONTECITO25** back to our school.

Shred Dog was recently awarded the best kid's hardshell in 2019 above all the major ski companies including Helly Hansen, Patagonia, The North Face, Spyder, and more. So, if you need new kids' ski/snowboard apparel for your trips to Tahoe, or just a baselayer or new puffy jacket to wear around the Bay Area, this is your chance to get the best kids ski gear on the planet and help us raise money for new school supplies at Montecito.
