

**Music & Movement  
with Golden Acorn!**  
**Tuesdays & Thursdays**  
**January 12th to March 25th**  
**12:15-1:00 pm**  
**(No Classes Feb. 16/18th)**

**10 Weeks & 20 Classes for \$460**

At Golden Acorn Music, we aim to support children in having fun while fostering early childhood development and basic music competence — the ability to express oneself and interact musically. Here are some more skills your children will learn while engaging in our fun Music & Movement classes at Montecito:

- Music development, pitch & rhythm -
- Creative expression -
- Physical development, coordination & gross motor skills -
- Language development -
- Social/emotional & cognitive development -

These Music & Movement classes will be held outside in the center green/bike circle area after they eat lunch, with their friends and the Golden Acorn Teachers. All teachers will wear masks & satisfy our daily screening & safety protocols, just like your children do!

To enroll, fill in your child's name here: \_\_\_\_\_, attach your payment and give both to your child's teachers from your car!
