

Back-to-School Day!
Saturday, Sept. 11th
Come learn in your
child's classroom
playground!

Back to School Day is a time for you to get to know your child's teachers and learn more about our curriculum. Your teachers will discuss curriculum design, developmental learning opportunities (according to your child's age and skills) and answer yours and other parents' questions. You will also engage in some of the same activities your child is doing in class each day!

Come to your child's classroom playground:
9:00-9:45 AM — MWF and M-F AM & PM classes
10:15-11:00 AM — T/TH AM & PM classes

THIS EVENT IS FOR ADULTS ONLY. Back-to-School Day will be held outside in your child's classroom playground (with a health check from Miss Erin at the front gate before entering).

Drop-in Holiday Care will be available as needed in the Bike Circle area (the front playground). Ask your teachers for your Prepaid Hours balance.
