

PRE-ENROLLMENT INFORMATION FOR 2023-2024 SCHOOL YEAR

Dear Montecito Parents:

We are pleased to announce that Montecito's enrollment for the 2023-2024 school year begins on Monday, November 14, 2022. We encourage families to enroll at their earliest convenience so they can get the classes and the schedule(s) of their choice. **Attached to this letter is our new List of Fees, an Application for Enrollment and an Admissions Agreement.** You will receive a soft copy of these documents via e-mail, and our enrollment documents have been posted on our website as well (under the "Forms and Admission" menu).

If you or your friends haven't already scheduled a tour, please schedule a phone tour to see our beautiful campus and obtain more information about our programs and enrollment. Your friends can schedule a tour through our website or by emailing me at erin@montecitoschool.com.

Montecito offers Part-Time and Full-Time Programs for preschool and elementary children – including drop-in and back-up care. We base our prices on the cost of living increases each year in this area, the actual cost of our programs, and on our detailed annual market research of comparable programs. We price our programs right in the middle of the average for this area. Not to mention, no other schools have the quality facility, low ratio, hands-on engagement with animals and child-centered curriculum like Montecito! If you have ANY questions about our pricing, we are happy to answer them.

To enroll, please email us or drop-off in person your completed Application for Enrollment (one application per child) and a signed Admissions Agreement (one per family). We will give you the enrollment fees breakdown, so that you can mail or hand us a check to pay the enrollment fees (which includes the Deposit/June 2024 tuition, Application and Health & Safety Fees). Once we receive your payment, we will give you a receipt and forms to complete before your child's first day of school next year. You will receive your classroom placement, teacher and other class information by the end of June 2023, well in advance of the school year starting.

If you have questions about our programs, pricing, discount programs, or enrollment, please contact our office at (650) 968-5957 or send an e-mail to me at erin@montecitoschool.com. We are looking forward to seeing you and to a safe & healthy 2023/24 school year!

Warmly and safely,
Erin K. Mobley, Your Director
