Joyful Melodies was established in the Bay Area in 2003 and is dedicated to providing quality music education to both children and adults. We are currently offering music classes for preschool and elementary school students, and we've taught classes at Montecito before too! Little Mozart (Ages 2 to 5), is a fun, creative & developmentally appropriate class for children to learn music through the Little Mozart curriculum. In this class, your children will be introduced to music concepts, music symbols, musical instruments, famous composers, & have a lot of fun! Our playful lessons are taught through singing, playing instruments and movement activities. These activities develop your child's gross motor skills, social/emotional connections, body/mind/music symmetry, pre-math skills, rhythm & movement, and extensive cognitive growth. Let's sing, dance & learn music together!
