

Planetarium Field Trip

Thursday, March 6th 2024 - 9:00 am to 1:30 pm

We are excited to offer a field trip to the DeAnza College Planetarium again! We will travel by bus to the Planetarium where we will see the night sky and a production of “The Little Star That Could!” Prior to the show (if time allows) or following the show, we will enjoy our lunches together on the college campus. **Please pack a ready-to-eat lunch for your child that is clearly marked with their name** on the outside. We will provide snacks and water for all children. When you return to school, your child can be picked up or can stay for drop-in care or go to his/her afternoon classroom. **NOTE:** Prior to the field trip date, you will receive a Tadpoles email or a call from your teacher and/or from Erin with details!
