What's Happening at Montecito in October

JOIN OUR FALL FUN!

Hello Montecito Parents – Thank you for participating in our annual evacuation drill last Friday and for helping us stay safe and practice for a real emergency.

Now that all your children have smoothly transitioned to their new classrooms, find out here what Spooktacular events are in store this month ...

CELEBRATE THE HARVEST AT MONTECITO

In the month of October, we will continue our enrollment for 25/26, continue movement fun in Mini Melodies & Little Hoopers classes, celebrate Indigenous People's Day on October 13th (school is open) and end the month by participating in our annual Halloween Sing! Details about all these fun fall activities are listed in this enews – so enjoy. 😊

Montecito is here to support your child's growth and development by providing engaging, age-appropriate and child-centered learning, and by helping your children build self-confidence for success in elementary school & beyond! A big part of this continuity of care is a consistent school schedule for your child, from summer to the regular school year and during holiday care as well. We are continuing our enrollment for this school year– so tell your friends, contact us to schedule a tour and visit our beautiful campus!
