

2026-2027 SCHOOL YEAR ENROLLMENT

Dear Montecito Parents:

Our preschool enrollment for 2026-2027 begins on December 3rd 2025!

Montecito offers year-round Part-Time and Full-Time Programs for preschool and elementary children – including drop-in and back-up care.

With low ratios of 1 teacher for every 4 children (or better) for all ages, we excel at individualizing instruction to meet each child's needs. Our campus is a one-of-a-kind natural wonderland for children, tucked away on 2 gorgeous acres featuring lush gardens, playgrounds, forts, and barnyard animals! Montecito Preschool's child-centered curriculum and natural environment together provide vital steppingstones to prepare your children for academic, social and emotional success in elementary school and in life beyond.

If you haven't taken a tour, please schedule a phone tour through our website or email me directly at erin@montecitoschool.com. This letter is also your special invitation to visit our campus on the weekends! And schedule an observation during class time before enrolling.

Hot off the press is our NEW List of Fees attached here. Our new prices are based upon the actual cost of each program. Every year we conduct market research on comparable programs in the Bay Area. We are committed to creating affordable programs. Montecito appreciates your loyalty in helping us preserve Montecito's quality care and service to our community for over 65 years.

To enroll, email us, mail or drop-off in person a completed Application & signed Admissions Agreement (all attached to this letter). Within 24 hours, you will receive a breakdown of enrollment fees. Once we receive your payment, you will be guaranteed a classroom spot for your child!

If you have questions, please contact our office (650) 968-5957 or email erin@montecitoschool.com. **Enroll now for 2026/27 before spaces start filling up!**

**Warmly and safely,
Erin K. Mobley, Your Director**

ERIN K. MOBLEY, DIRECTOR AND DAUGHTER OF SCHOOL FOUNDERS
