One-on-One Basketball started in the Bay Area in 2003. Our goal is to help kids learn the game of basketball while building confidence through enjoyable after school activity.

Little Hoopers introduces basketball & overall sports to preschoolers in a non-competitive environment. In addition to having fun, your child will develop his/her physical development & social skills. We focus on your child's gross motor/large muscle control, physical and hand-eye coordination, and social and cooperative play with others through taking turns, dribbling, passing, catching & shooting (we take regular water breaks as well). We develop these skills by playing fun games such as tag, steal the bacon, and sharks & minnows.
