Mini Melodies (Ages 3 to 5), is a fun, creative & developmentally appropriate class for children to learn music. Our playful lessons are taught in 2-week themes through singing, playing instruments & movement activities. Your children will be introduced to a variety of songs & instruments, engage in fun activities like group parachute games, moving their bodies & learning familiar songs. These activities develop your child's gross motor skills, social/emotional connections, body/mind/music symmetry, pre-math skills, rhythm & movement, cooperative play, listening skills, & extensive cognitive growth.

Miss Jenna is not only one of our four teachers in the Pond Room for the past 5 years, but she is also an experienced music & movement teacher. For 4 years, she was a full-time teacher at Gymboree Play & Music and she taught children from 6 months old to age 5. At Gymboree, Miss Jenna led 20 children and their parents through musical adventures including parachute time, bubbles, guided songs & more. Assisting Miss Jenna in the music class will be Miss Lupe, also one of our four teachers in the Pond Room for the past 12 years! Miss Lupe has movement experience with children, she loves singing & dancing with our children, & she knows all the children on our campus. Come join the musical fun!
