In addition to having fun, your child will develop his/her physical development & social skills. Little Hoopers introduces basketball & overall sports to preschoolers in a non-competitive environment. We focus on your child's gross motor/large muscle control, physical and hand-eye coordination, and social and cooperative play with others through taking turns, dribbling, passing, catching & shooting (we take regular water breaks as well). We develop these skills by playing fun games such as tag, steal the bacon, and sharks & minnows.
