Mini Melodies (Ages 3 to 5), is a fun, creative & developmentally appropriate class for children to learn music. Our playful lessons are taught in 2-week themes through singing, playing instruments & movement activities. Your children will be introduced to a variety of songs & instruments, engage in fun activities like group parachute games, moving their bodies & learning familiar songs. These activities develop your child's gross motor skills, social/emotional connections, body/mind/music symmetry, pre-math skills, rhythm & movement, cooperative play, listening skills, & extensive cognitive growth.

Mr. Chris is not only one of the 4 teachers in the Pond Room for the past 2 years, but grew up doing musical theatre and has experience in the music industry. For 3 years, Mr. Chris was a Music Manager in Los Angeles for Multi Platinum Selling Artists. Growing up in the South Bay, Mr. Chris was involved in musical theatre productions in his early years and is experienced in song and movement. Assisting Mr. Chris in the music class will be Miss Jenna, who is also a Pond Room Teacher for the past 4 years and has been teaching Mini Melodies for the past 2 years. For 4 years, she was a full-time teacher at Gymboree Play & Music and led 20 children and their parents through musical adventures - including parachute time, bubbles, guided songs & more.
